To Our Shareholders, Customers and Friends:

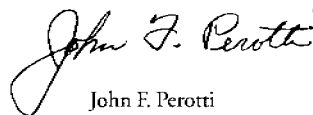

I am pleased to report that 2005 was the eleventh consecutive year that net income increased over the previous year. Net income totaled \$4,561,341 for the twelve month period ended December 31, 2005. This represents a 13.50% increase when comparing net income of \$4,018,942 for 2004. Earnings per average outstanding share for 2005 totaled \$2.71 and compares to \$2.67 for 2004.

The primary goal of our 2005 business plan was to ensure that the third quarter 2004 merger with The Canaan National Bank would result in accretion to earnings within one year. Our year of transition was, overall, successful. Community banking loan growth was 6.7%. Return on average assets remained consistent at 1.12% compared to 1.14% the previous year. Our capital-to-assets ratio remains strong at 10.29%. This provides us multiple opportunities for capital deployment while remaining a "well capitalized" bank by regulatory standards. Additionally, 2005 was a successful year for our Trust and Investment Services Division. Assets under management increased 4.2% to \$306 million and income increased 11.4% to \$1,571,000.

Your Board of Directors declared a fourth quarter cash dividend of \$.25 per common share. This compares to a fourth quarter cash dividend of \$.24 that was declared in 2004. Year-to-date dividends declared total \$1.00 per share for the year 2005, and compares to total dividends of \$.96 declared during the year 2004. This represents an increase of \$.04 or 4.2%. The dividend was paid on January 31, 2006 to shareholders of record as of December 30, 2005.

We continue to step up our efforts to enhance customer convenience and to providing easier access to their hometown bank from virtually anywhere they live or work. More than ever our customers enjoy our online banking and electronic bill-pay services and our telephone banking which features easy self service options. Through these channels we are able to offer a broad range of banking and investment services. We encourage you to visit our website (www.salisburybank.com), the Company's bulletin board for communicating important information to shareholders. Additionally, we welcome your thoughts and suggestions on how to improve communications to shareholders.

I would like to take this opportunity to thank our shareholders and customers for their confidence in Salisbury Bank and Trust Company. Special thanks to the Board of Directors, SBT Advisory Board, our officers and staff. We have assembled a great team that is dedicated to developing and delivering products to meet the financial needs of our customers and to providing exemplary service to our customers. Together the results of our efforts will continue to enhance shareholder value.
