Forward Looking Statements

This presentation contains certain statements that may be considered “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Actual results, performance or achievements of Salisbury may differ materially from those discussed in these forward-looking statements. We refer you to the documents Salisbury files from time to time with the Securities and Exchange Commission, especially the Company’s last filed Form 10-K. These documents contain and identify important factors that could cause actual results to differ materially from those contained in our projections or forward- looking statements. You should carefully review all of these factors, and you should be aware that there may be other factors that could cause these differences. These forward-looking statements were based on information, plans and estimates at the date of this presentation, and Salisbury assumes no obligation to update forward-looking statements to reflect changes in underlying assumptions or factors, new information, future events or other changes.

Unaudited data

All of the financial data presented herein is unaudited.

Annualized, pro forma, projected and estimated numbers are used for illustrative purpose only, are not forecasts and may not reflect actual results.
